Re: Settlement of *Malibu Media v. Shutterly*  
Case No. 13-cv-00236-AEG

Dear Judge Goodstein,

Please be advised that the parties have settled and are planning to dismiss the case pending the outcome of the recently filed motion to seal. Accordingly, we request adjournment of tomorrow's Rule 16 conference. Based on our communications with Your Honor's clerk, we understand that the motion to seal will be addressed in the next day or two. Given this, the parties plan to dismiss the case by Friday, September 27, 2013.

Sincerely,

Michael T. Griggs
